## *About Boronia Cottage*

---

Located on beautiful Bribie Island, Suncare offers a modern four-bedroom, purpose built home for short term respite care. With its wide corridors, spacious living areas and all-ability bathrooms, Boronia Cottage is the perfect destination for people with care needs.

Our professional and dedicated staff are committed to providing a five-star holiday experience for your loved one whilst you enjoy a well-deserved break. Our guests can expect nutritious home-cooked meals, daily activities and 24/7 care.

## Day to day life

*Enjoy breakfast in bed, fish and chips by the sea or an island adventure – customers can work with our Activities Coordinator and a team of Support Workers to plan their own stay and enjoy as much of Island life as they choose.*

There are plenty of activities on Bribie including the Seaside Museum, Butterfly House, Bribie Twin Cinema, weekend markets and delicious dining opportunities at local restaurants and cafes.

We offer a variety of in-house activities, including arts and crafts, games and trivia, cooking experiences and movie days.

*The support you need  
to keep caring*
